1. Stamp catalog values are provided by lot submitters. Most of the club lots were catalogued using 2009 or 2007 Scott catalogs. Bid what you think the lot is worth based on the catalog you use.
2. Please plan to pay with cash. Most of the lots belong to various club members and checks are cumbersome.
3. For those providing lots, please describe the lots so the buyers won't be surprised. Please bring the lots to the meeting by 6:30 to give buyers ample time to examine them. Buyers, please look over the lots you are bidding on before the sale, not after you bought it. If you have any questions don't be shy about asking.
4. Questions???????? Call Alan at (314) 291-1165 or email [abanks7@aol.com](mailto:abanks7@aol.com).
